**B – Po naslovih člankov = By actual titles**

- Ali imajo tarčna zdravila svoje mesto v radiokemoterapiji tumorjev prebavil? [Do target drugs have their place in radiochemotherapy of gastrointestinal tumours?] / V. Velenik 1:48-52
- Biopsija resektabilnih jetrnih zasevkov raka debelega črevesa in danke : odgovor avtorja [Biopsy of resectable liver metastases of colorectal cancer : author's response] / A. Ivanecz 1:13-14
- Določanje mutacij v genih *c-KIT* in *PDGFRA* pri bolnikih z gastrointestinalnimi stromalnimi tumorji [Identification of *c-KIT* and *PDGFRA* gene mutations in patients with gastrointestinal stromal tumours] / M. Grgič, S. Novaković 1:9-12
- Hepatocelčni rak – možnost resekcije jeter [Liver resection possibility in hepatocellular carcinoma] / A. Ivanecz, M. Sremec, T. Jagrič, S. Potrč 2:92-96
- Kirurgija raka želodca [Gastric cancer surgery] / M. Omejc 1:23-25
- Klinični primer bolnika z razsejanim ploščatoceličnim karcinomom požiralnika [A clinical case of a patient with metastatic squamous cell carcinoma of the esophagus] / M. Boc, T. Mesti, M. Reberšek 1:63-64
- Obsevanje starostnikov z rakom [Radiation of elderly cancer patients] / Vaneja Velenik 2:97-101
- Paliativna oskrba [Palliative care] / M. Ebert Moltara 1:53-55
- Pogled internista onkologa na sistemsko zdravljenje raka požiralnika [Treatment of oesophageal cancer from the medical oncologist's point of view] / M. Reberšek, T. Mesti, M. Boc 1:34-38
- Pogled internista onkologa na zdravljenje raka želodca [The internist oncologist's view on gastric cancer treatment] / J. Ocvirk 1:45-47
- Pogled radioterapevta onkologa na zdravljenje raka želodca [The radiation therapy oncologist's view on gastric cancer treatment] / I. Oblak 1:39-44
- Pogled zdravnika radioterapevta na zdravljenje raka požiralnika [The radiation therapy practitioner's view on oesophageal cancer treatment] / F. Anderluh 1:29-33
- Pomen kakovosti življenja pri bolnikih z rakom [Significance of quality of life in cancer patients] / V. Velenik 2:108-112
- Preoperativno obsevanje pri bolnici z rakom želodca [Pre-operative irradiation in a gastric cancer patient] / A. Šečerov Ermenc 1:65-66
- Prehranska podpora bolnika z rakom [Nutritional support of a cancer patient] / N. Rotovnik Kozjek 1:56-59
- Primarni razsoj adenokarcinoma gastroezofagealnega prehoda v možgane [Primary spread of adenocarcinoma of the gastroesophageal junction to the brain] / T. Mesti, M. Boc, M. Reberšek 1:67-68
- Priporočila za obravnavo diareje ob sistemskem onkološkem zdravljenju [Recommendations for diarrhea in systemic oncology treatment] / N. Hribernik, M. Reberšek 2:102-104
- Priporočila za preprečevanje in zdravljenje slabosti in bruhanja ob sistemskem onkološkem zdravljenju [Recommendations for prevention and treatment of nausea and vomiting in systemic oncology treatment] / M. Reberšek, N. Hribernik 2:105-107
- Rak dojke pri mladih ženskah in nosečnost [Breast cancer in young women and pregnancy] / M. Mencinger, J. But Hadžić 1:4-8
- Rezultati zdravljenja bolnikov s karcinomom požiralnika zdravljenih na Onkološkem inštitutu v Ljubljani v letih 2006-2010 [Treatment results in patients with esophageal carcinoma treated at the Institute of Oncology in Ljubljana from 2006-2010] / F. Anderluh, A. Perpar, V. Velenik, I. Oblak
- Sekundarni maligni tumor debelega črevesja po zdravljenju raka v otroštvu : a case report] / L. Zadravec Zaletel, M. Vujasinović, M. Boc, B. Jereb 1:69-71

Sistemsko zdravljenje napredovalega diferenciranega raka ščitnice [Systemic treatment of advanced differentiated thyroid cancer] / C. Grašič Kuhar 2:89-91

Transplantacija srca 28 let po končanem zdravljenju ne-Hodgkinovega limfoma v otroštvu – prikaz primera [Heart transplant 28 years after completed treatment for non-Hodgkin's lymphoma in childhood – case report] / L. Zadavec Zaletel, P. Rakovec, M. Jelenc, Z. Dolenc Stražar, B. Jereb 2:113-115

Uvodnik [Editorial] / Z. Rudolf 1:3; 2:83

Vloga dermatologa pri zgodnjem odkrivanju in obravnavi bolnika z melanomom [The role of dermatologist in early detection and management of the patient with melanoma] / A. Dugonik 1:15-18

Vloga endoluminalnih opornic med neoadjuvantnim zdravljenjem karcinoma požiralnika [The role of endoluminal stenting during neoadjuvant treatment of oesophageal carcinomas] / A. Crnjac, B. Greif, A. Hojski 1:26-28

Zdravljenje lokoregionalno napredovalega karcinoma požiralnika [Treatment of locoregionally advanced oesophageal carcinoma : a case report] / J. But Hadžić, M. Bitenc 1:60-62

Značilnosti raka požiralnika in raka želodca [Characteristics of oesophageal and gastric cancers] / V. Velenik 1:19-22
